

## **VOLUNTEER OPPORTUNITIES**

*February 2010*

### **PRESCHOOL**

Help in the Preschool: Preschool Assistants are needed from 9-5:30pm.

### **ELEMENTARY SCHOOL**

Be a Learning Pal: Learning Pals is a new program to support elementary school children of color. Children of color are paired with GCC volunteers of color to work on academic skills, play educational games and make craft projects. Learning Pals meet on the 1<sup>st</sup> and 3<sup>rd</sup> Sundays of the month.

Share your love and knowledge of Cross Country Skiing: We need volunteers to help kids learn how to cross country ski so they can have fun! Afterschool goes skiing on Thursday's from 3:00pm-6:30pm.

Share your love of the outdoors with kids: One Saturday a month there is an Inner City Outing for afterschool age kids. We need volunteers who enjoy being outdoors and teaching children about the environment.

### **IMPORTANT (but not glamorous) TASKS**

Help keep our Vans clean: Our staff does their best to keep our vans clean, but it's tricky when their top priority is to attend to kids in our programs. So our vans need some dedicated TLC on a regular basis. Cleaning times have some flexibility, but weekends are often the best time.
