The Goodman Community Center Service Area

-  Goodman Community Center
-  Former GACC Main Building
-  Former GACC Youth Building
-  East High School
-  Lowell Elementary School
-  Emerson Elementary School
-  O'Keeffe Middle School

We provide services to many people who live outside our official service area boundaries

A recent study of Center participants shows that people who use the Center — from customers who use our food pantry, teens who come to Lussier Teen Center events and classes, seniors who come for meals and nickel bingo to parents who bring their toddlers to our preschool — come from all over the greater Madison area.
