CATERING

From coffee and cookies to a full banquet, GCC's in-house catering team, Good Works Community Catering, offers a wide variety of fresh, from scratch catering options so you can find just what you need. We accommodate everyone with vegetarian options, vegan menus, and gluten-free foods.

Unique to Madison, our catering team is part of the TEENworks vocational program that offers valuable, marketable work skills and experience to teenagers. Not only do they learn how to prepare seasonal, local foods to professional standards, they also get experience planning menus, delivering quality catering and providing great customer service. Teens work with top professionals to ensure your guests receive the best experience.

We offer two tasting events each year (January and June). This is a great time to meet other Goodman couples, ask questions, and spend time in the event space. RSVP required, invitation to follow.

BAR

We have a variety of beer, wine, and spirit options to complement our stylish, industrial interiors and unique, affordable rooms. We can provide hosted or cash/card bars with experienced bartenders and a fully stocked bar.

Bar service is \$26 per hour, per bartender plus setup and breakdown.

Since we hold our own liquor license, all alcoholic beverages must be purchased and served through our catering team. By Wisconsin law, carry-in of any alcoholic beverage is illegal.

Outside caterers may not serve or sell alcoholic beverages at Goodman Community Center. Our hospitality team will work with event contacts for options for alcohol service. Licensed bartenders are required at all events with alcohol service, and will be GCC employees.
