

KNOW YOUR GIRLS INC. BILL OF RIGHTS CONFERENCE

SPONSOR our Girls Inc. of Greater Madison conference on May 13, and support girls and nonbinary youth in our community!

When girls and nonbinary youth are supported by their community, they develop confidence and grow into strong leaders who inspire success in those around them. That's why we're holding a conference on May 13 to bring Girls Inc. members and community youth together to share in activities that highlight the six principles of the Girls Inc. Bill of Rights.

Madison-area leaders from across industries and backgrounds will guide youth through a schedule packed with creative, educational activities, such as games, workshops and discussions – all designed to inspire participants to feel strong, smart and bold! **And we need your help to make it happen.**

Goodman Community Center is proud to be the home of the Madison Girls Inc. affiliate, and we rely on your support to inspire a new era of leaders. **Please let us know your intentions to sponsor this conference by April 3** to be included in all promotional materials. Thank you for supporting girls and nonbinary youth in our community!
