

Goodman Community Center Facility Use Guidelines

Individuals, groups or organizations using the Goodman Community Center rooms and facilities must comply with these guidelines and all other applicable rules and policies. Failure to comply may result in the immediate end of your event, loss of any security/damage deposit paid, penalty charges and loss of future facility use privileges.

Reservations and Deposits

- All reservations are made through the GCC's Hospitality Department and online calendar scheduling software. No reservations or contracts will be accepted from persons under the age of 21. Reservations will be accepted no more than 18 months prior to event date.
- Room usage requires a signed room use contract. The contract details the access time, event time and room(s).
- Reservation requests are not considered booked until signed contract and payment are received.
- Security/Damage Deposits are required for most events with more than 50 guests, or those that take place outside of building's administrative hours. Security/Damage Deposits are separate from room use fees.
- Base room fees (and any required security/damage deposit) are due and payable within 14 days of receiving room use contract.
- Security/Damage Deposits will be refunded in the form of a GCC check, payable only to whom the contract is made, usually within 21 business days after the event, along with an explanation of any deductions.

Additional custodial time or damage to spaces/equipment will be deducted from the security/damage deposit, or invoiced to the contractee. GCC will provide documentation of damages and will pursue restitution to the fullest extent allowed by law. Checks returned as NSF will be charged a \$30 processing fee by GCC in addition to any bank fees.

Set up and clean up times are included in your total facility access time and will be invoiced. No events shall extend past 9:00pm Sunday through Thursday at the GCC Ironworks Building; 10:00pm at the Brassworks Building. Friday and Saturday evening events at either building must end by 10:45pm (guests vacated by 11:00pm). Buildings must be vacated by 12:00am Friday and Saturday. No use is to be extended beyond the contracted times; doing so is trespassing and authorities may be notified. Plan for adequate clean up and loading time!

Concealed & Carry Law Policy

No one may enter or remain on any GCC property while carrying any weapon, including a concealed firearm. A license-holder is guilty of trespassing if he or she enters or remains on the property while carrying a concealed weapon. GCC will contact the police immediately upon noticing a concealed weapon.

Alcoholic Beverages

GCC holds its own liquor license for both the Ironworks and Brassworks facilities. ALL alcohol served at events MUST be purchased through, and served by GCC's hospitality department. Per Wisconsin law, carry-in of any alcoholic beverage is illegal. Anyone found bringing in alcoholic beverages will be required to remove it from the premises. Any event found serving carry-in alcoholic beverages will be ended immediately with no refund of fees or security deposit, and alcoholic beverages will be confiscated. Police will be notified as needed.

Outside caterers may not serve or sell alcoholic beverages at GCC, even if they have a Class A liquor license at their establishment. All alcohol service MUST go through the Goodman Community Center. GCC's hospitality department will work with event contacts for options for alcohol service which may include cash bar, open bar or limited complimentary beverages for your guests. By Wisconsin law, licensed bartenders are required at all events with alcohol service, and will be GCC employees.

Specific laws control the sale and service of alcoholic beverages. Alcoholic beverages must stay in the designated interior spaces available to your event, and may not be taken outside to smoking or seating areas. Alcoholic beverages may not be taken off premises per Wisconsin law. Guests are not allowed to carry in their own alcoholic beverages at any event.

Sales and serving of alcoholic beverages will end by 9:00 pm Sunday through Thursday and 10:45 pm Friday and Saturday, no exceptions.
