

HOST A THEMED FOOD DRIVE

AT YOUR BUSINESS OR ORGANIZATION

Food drives are a HUGE help in keeping the Goodman Community Center's **Fritz Food Pantry** shelves stocked. Consider hosting a themed food drive to help serve the 150+ families that visit us weekly.

STEP 1: **Pick a theme** (see below).

STEP 2: **Promote the event** to collect as many items as possible. Visit goodmancenter.org/pantry for tips on hosting a successful food drive and materials to help promote.

STEP 3: **Drop the items off.** Donations can be dropped during Goodman Center's business hours at our Ironworks building, located at 149 Waubesa St. Coordinate with Food Pantry Manager, Francesca Frisque, on drop-off time.

STEP 4: **Consider having your team volunteer with us.** Depending on the items collected, your team could help shelve the items in the pantry or assemble kits that will then be handed out via the food pantry.

STEP 5: **Celebrate!** Share photos of your amazing food drive and we'll provide recognition via social media to our 14,000+ followers.
