Only residents of Dane County, Wisconsin are eligible to receive baskets.

### **How do I get my basket?**

After you register, you will receive a postcard in the mail. Postcards will arrive the week before basket pickup. You must bring this postcard with you to pick up your basket. Thanksgiving Basket pickup is located at the Goodman Community Center at 149 Waubesa Street in Madison. Bus lines close to GCC are 3, 5, 14, 15, 37 and 38.

Expect to wait for 15-30 minutes to receive your basket. Basket pick-up is a drive-thru system. The basket will be loaded into your vehicle. If arriving on foot, please stay on sidewalks and go to the check-in station.

### **What is included in a Thanksgiving Basket?**

A frozen turkey (10-12 pounds), stuffing, gravy, cranberry sauce, canned fruit, canned vegetables, mac and cheese, broth, dinner rolls, milk, butter, eggs, onions, potatoes, carrots, pumpkin pie and ice cream. Items are subject to availability. There may be substitutions.

### **Do you have vegetarian or vegan options?**

We do not have specific dietary baskets. The baskets should be diverse enough for everyone to find some food they can eat. You are welcome to take out all of the items from the basket you plan to use. If there are items you will *not* use, please leave them behind so others can benefit from them.

### **What do I do if I don't have my postcard?**

All postcards should be received by Monday, Nov. 12. If you did not receive your postcard and you signed up for a basket during open registration times, please bring a photo ID to pick up your basket. If you lose your postcard, please bring a photo ID to receive your basket. Please note this will make your pickup time longer.

### **Can I get my basket delivered?**

The Goodman Community Center cannot deliver baskets, however anyone with your postcard can pick up your basket.
